WORK EXPERIENCE

Senior UX / UI Designer Sep 2019 - Present
Outsystems | Lisbon, Portugal

Working in the customer success team I help our customers building applications from scratch or redesigning them, being the user's advocate and the innovation seeker.

UX / UI Designer - Freelancer Dec 2019 - Present
Composely | United States - Remote

To improve the effectiveness of the design team, I work as a freelancer in some of the most complicated tasks to ensure that we delivery the best experience to our users .

UX / UI Designer Feb 2019 - Sep 2019
Capital Bank of Jordan | Amman, Jordan - Remote

CBoJ is one of the largest banks in Middle East and the challenge was to create a new experience for their web platform and mobile applications.

UI Designer Nov 2017 - Jan 2019
Taroko | Taipei, Taiwan

With the responsibility of designing the interface of several web & mobile apps, Taroko was one of the most fastest paced environments I have a chance to work on.

UX / UI Designer Mar 2017 - Nov 2017
Roadzen | New Delhi, India - Remote

At Roadzen, I had the opportunity to work on a design team whose main objective was to improve the insurance experience for Indian consumers.

Product Owner Mar 2014 - Feb 2017
Altido | Lisbon, Portugal

With the need of having a new management software, I was in charge of making this happen.

Web Designer Mar 2013 - Jul 2014
AdsUp | Lisbon, Portugal

Designed and Coded several websites for our customers.

Founder Oct 2011 - May 2015
Razão Automóvel | Lisbon, Portugal

Started this project while in college. The goal was to learn new skills and gain more experience. Nowadays is the most viewed automotive blog in Portugal.

EDUCATION

Post Graduation | Digital Experience Design 2016 - 2017
Faculty of fine arts of University of Lisbon

Bachelor's Degree | Business Management 2008 - 2012
Faculty of Economics & Administration of Lusófona University
